Instructions of War Minister
Hideki TOJO to the Newly-Appointed Commanders of the
Prisoner of War Camps

"It is very pleasing to me to hear that you who have been newly-appointed as commanders of prisoner of war camps are going to leave for your respective new posts very soon.

Our country has a different conception of prisoners of war and consequently has different methods of treatment compared with those of American and European nations.

So, in treating the prisoners of war at home and abroad, you must abide by the laws and regulations and apply them fairly and properly so that it will enhance and exhibit the prestige of our Empire. But on the other hand, you must supervise them rigidly insofar as you do not become inhuman, and not let them remain idle even for a single day, so as to utilize most effectively their manpower and technical ability for the expansion of our industries and to contribute to the execution of the great Eastern Asia War.

Moreover, considering the characteristics of the various localities, you must make the local people recognize the superiority of the Japanese people through the treatment of prisoners of war as well as make the local people conceive it as the greatest honor that they are able to collaborate with the Imperial Army in establishing the Greater East Asia Co-Prosperity Sphere.

Considering the importance of the aforementioned points and your great responsibility, you must lead your subordinates strictly and properly and execute your duty to the utmost."

Hideki TOJO
Minister of War
